... Newberry's Celebrates Expansion Program

(Continued from Page One) of the Chamber of Commerce and member of the city's Parks and Recreation Commission, has been manager here since 1947.

He supervised a doubling of the store's capacity in 1950 and has expanded it again to keep pace with the growing demands of shoppers in the downtown Torrance area. Paget first joined Newberry's in 1934 and served in the El Paso store and as manager of the Salinas, Calif., store before coming to Torrance.

Store Officials
S. L. Evanco, southwest area superintendent for the chain, and a Torrance resident, was in charge of the latest remodeling program for the store. He managed Newberry stores throughout California before assuming the supervisory post last year.

Other J. J. Newberry Co. officials who have a part in the major expansion program in downtown Torrance include E. A. Newberry, brother of the founder and now chairman of the board of directors; District Manager G. E. McPeak; and the manager of all Pacific Coast stores for the firm, J. E. Howard.

The huge chain, which has stores in all but three of the 48 states, was started 45 years ago with a small, one-man store in Pennsylvania and now boasts 476 stores.

A NEW INTERIOR . . . A bird's-eye view of the newly expanded interior of the J. J. Newberry Co. store here shows a number of the new features added to the popular downtown Torrance store. Grand Opening ceremonies are scheduled at 9 a.m. today.
